CLASS HISTORY

In the summer of 1945, a mixed group of anxious boys and girls entered the routine of Union Hi. At first we were confused by the rules, but gradually we became accustomed to the daily routine.

In our Freshman year our class numbered 41. From this class the officers elected were: President, Ted Goins; Vice-President, Mary Gilbert; Secretary and Treasurer, Sarah Kiser.

As Sophomores, eight girls were honored by being chosen as waitresses for the Junior-Senior Banquet. Our officers that year were: President, Ted Goins; Vice-President, Jack Rhyne; Secretary, Evelyn Carpenter; Treasurer, Sarah Kiser.

The largest event of our Junior year was the Junior-Senior Banquet, given in honor of the Seniors. Another big event was the initiation of seven of our members into the National Beta Club. The class officers elected were: President, Ted Goins; Vice-President, Sonny Sain; Secretary and Treasurer, Sarah Kiser; Reporter, Jacob Reep.

In 1948, our Senior year was begun with our looking forward to graduation. The "Acorn" staff was elected, and we started working like bees. Officers were: President, Ted Goins; Vice-President, Jacob Reep; Secretary and Treasurer, Sarah Kiser; Reporter, Jack Rhyne.

Now we number 22 in our Senior year, hoping we all finish the work required of us. We are honored to have a member of our class, Sonny Sain, who has had perfect attendance all through the eleven years. We hope he can finish with a perfect record of twelve years.

Our past holds pleasant memories, and we are looking forward to a successful future for all.

CLASS POEM

LET US ADMIT IT

Let us admit it fairly as high school Seniors should:
We've had no end of lessons, and they've done us no end of good.
We entered as timid Freshmen, we leave as graduates bold,
And we find it hard to realize the knowledge our young heads hold.

We've had our foolish notions knocked higher than Franklin's kite;
Our minds have been made over, and we know it served us right.
We've spent four years in labor hard to prove the fact once more
That life is quite confused, and two and two are seldom four.

We're crammed to the brim with learning, and now we must turn it to use,
And if one of us is a failure, he hasn't a single excuse.
The more we work and the less we talk the better results we shall get,
For we've had four years of training; it may make us successes yet.

Let us admit it fairly as high school Seniors should:
We're proud of Union High School; it's done us a lot of good.

CLASS SONG

COME AND SING

In Learning's praise we sing this song;
Sing hey, sing ho.
We voice her virtues loud and long;
Sing high, sing low.
We came to school with an empty mind,
Sing hey, sing ho.
But wiser children now you will never find;
Sing high, sing low.

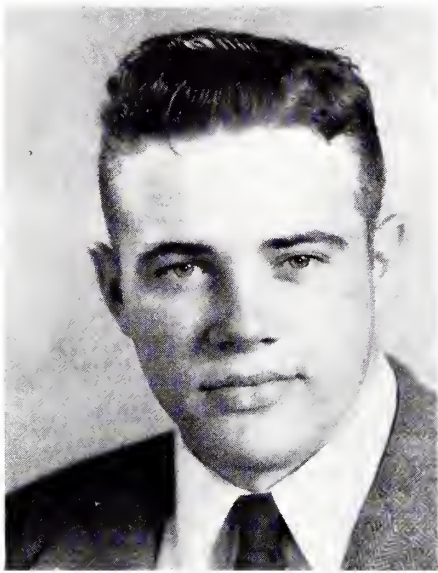

CHORUS

Come and sing all night;
Come and sing all day;
We'll sing the praises of the dear old school,
Whiling the bright hours away.

We've learned the longest words to spell,
Sing hey, sing ho,
And foreign languages as well;
Sing high, sing low.
With mathematics and isotherms
Sing hey, sing ho,
We're all on very familiar terms.
Sing high, sing low.

No more in Union School we'll shine,
Sing hey, sing ho,
But soon we'll be alumni fine;
Sing high, sing low.

And even when we are far away,
Sing hey, sing ho,
We'll tell her virtues till we're old and gray;
Sing high, sing low.

CLASS PROPHECY

In the winter of 1958, getting into my easy chair, I decided to relax by turning on the radio.

The music was so soft and sweet I must have gone to sleep, and in my dreams I heard the announcer, Lewis Quickel, say something about the Class of '49 of Union High School. Imagine my surprise when I heard him announce Conductor Glenn Hoover and his symphony orchestra along with Helen Lackey, his noted soprano.

Then, in my dreams, I wandered into a large department store owned by Jimmy Jetton, who had as his very able assistant Sonny Sain. Mary Gilbert was cashier, while Evelyn Carpenter and Doris Hoover were two of the clerks.

Since ball playing was always Bob Keener and Ottman Jarrett's hobby I was not surprised to hear of their playing for the New York Yankees.

Blair Davis and Johnny Davis are still in the "same old rut." They are now driving Greyhounds instead of Union High Buses.

Sarah Kiser and Jean Rhyne are doing secretarial work in Washington, D. C.

Jack Rhyne and Jacob Reep are making quite a name for themselves as professors in the field of Agriculture at State College in Raleigh.

Sidney Houser has followed in the footsteps of his father as a successful farmer and well-known citizen of the community.

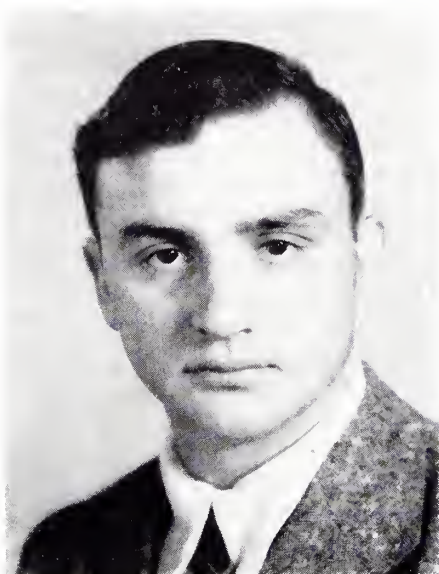

Ted Goins, one of our outstanding students of the old class, has made quite a name for himself as a famous minister and writer of religious books.

Barbara Seagle has now become a member of the faculty of Lenoir Rhyne College as teacher of Bible. Jessie Weaver is an able manager of the Library there with Effie Houser as her assistant.

The last of my classmates were accounted for, as I heard someone calling, "Mary, Mary," arousing me from my sleep to go to my own work as manager of Eagle's Dime Store.

Prophetess,

MARY JANE LEATHERMAN

It has been a great pleasure to have you as teacher and a friend as well. Good Luck and Lots of Happiness in the future Jimmy Jetton.
